Fiesta Farm now offers VAULTING lessons!

Lease opportunities for horses & ponies:

The Bluh Mounty. Fabulous, dark brown **LARGE PONY** gelding. "Monty" has a soft, smooth way of going and carrying his rider. A wonderful first large pony who "helps" his riders to 'find the distances' and to ride well. Kind and easy to ride. Great jump and easy changes. Qualified and shown in the pony finals 2010. Qualified (with one attempt) but not shown in 2011. Is the winner anywhere in the country in the Children's Pony. **Currently leased.** Expect **availability late 2012.**

Irish Gentleman. The best first "real" **HORSE** ever. "Patrick" is quiet, 17.3 hand, ultra soft, comfortable and compliant. Never scary. Changes are easy, turns on a dime. Decent mover and jumper. Perfect to start in the 2'6" hunters or even the Long Stirrup and capable of the Children's Hunters through the Low Children's Adult jumpers. **Currently leased. Available January 1, 2012.**

Lemon Drop. A wonderful first **PONY.** "Dickens" has taught many, many children how to ride. He "goes" without ever being fast or scary. Very cute and appealing under a young rider. 12.2 palomino suitable for children under 4'8" and 80 LBS to learn to walk, trot and canter. Will jump tiny jumps and has won many, many Beginner Rider championships in the past as well as won numerous BEST COSTUME class prizes with several children at our Halloween Horse Show. **Currently leased. Available October 1, 2012.**

Joe Cool. My favorite **PONY** in the whole world. "Buddy" is a super Children's or Small Pony. His current rider and trainer have been thrilled that she now can canter jumps, horse show and do courses with "lead changes", something that her trainer wasn't sure she would ever master. Buddy has been champion with his rider this year and has ribbons from Upperville. Over the years he has won classes in the smalls with many first time Small Pony or Children's Pony riders. He 'helps' his riders and volunteers to fix lots of rider errors as they occur. **Currently leased. Available April 1, 2012.**

Sterling Silver. This is a super pony. "Lenny" has successfully 'developed' a number of young riders. His current rider has gone from learning to canter to winning in the Short Stirrup division. He has a great rhythm and is ultra easy to 'see the distances' on. A grey medium, he is competitive in the Short Stirrup & Children's Pony and can still do the regular Mediums. Shown at the Pony Finals: 2008 in the mediums and in the Pony Equitation in 2010. **Currently leased. Available soon.**

*Each of these animals fills a vital role for their riders, instilling confidence and the skills needed to move forward with their riding. Please consider one of them for your next lease. Lease prices range from \$4K to \$20K per year. Partial years MAY be available. Videos at You Tube: **fiestafarm1413***

For Sale

Can Do. 9 year old large bay pony gelding. "Sloane" is cute, a good jumper and mover with lead changes. Suitable for the children's pony for a short stirrup or higher level rider. **Reasonably priced and available now.**
