CLASS SPECIFICATIONS

FEATURED CLASSES

Sharon Dok TRY-CHALLENGE: Open to non-professional riders on a horse or ponies. Class to consist of 3 phases: phase (1) one to be ridden on the rider's entered horse or pony and phases (2) two and (3) three to be ridden on a horse or pony drawn from among the other horses and ponies entered. 30 minutes prior to the start of the CHALLENGE each rider shall draw for their second mount. To make the horses drawn as compatible as possible with their drawn riders, riders entered on ponies will draw from among other ponies entered and riders entered on horses will draw from among other horses entered. Further, the judge will be given the opportunity to review the horses drawn and to make any adjustments deemed necessary for safety. In phase (1), each rider entered shall compete over an equitation course on his or her entered animal. In phase (2), all riders will show on the flat in an open equitation format on their drawn animal. No schooling will be allowed prior to entering the ring on the drawn horse before phase (2) or phase (3). In phase (3) riders shall compete over a standard hunter type course on their drawn horse. Fence heights shall be 2' or 2'6", at the riders' discretion. The guideline shall be: 2' for small or medium ponies or riders who are eligible for short or long stirrup classes; 2'6" for large ponies and horses who normally show at that fence height or higher. At the conclusion of phase (3), the judge may further test the top contenders in the class. USEF tests 1-18. For each phase, the judging emphasis shall be on classic position, use of aids and ability to adapt well to an unfamiliar horse. Riders shall not be penalized for small errors but are to be rewarded for good overall horsemanship and sportsmanship. The judging guidelines suggest that phase (1) count approximately 30 %, phase (2) 25 % and phase (3) 45 %.

The winning rider shall receive a trophy and custom portrait by artist Sharon Dok valued at \$350. The horse head and shoulder portrait will be made from photographs taken of the horse or pony. Please visit the fiestafarm.com for a preview of the artist's work. Riders will ride for ribbons and participate in a victory gallop. Ribbons to 8th place. Entry fee: \$30.

In addition, prizes for the overall **Agri Feed Pet Supply HUNTER CLASSIC** will be awarded as follows: prize money through eight places to the top eight riders with the highest score coming from the three individual sections. JUMPER CLASSES

USEF rules for each class offered will be available at the secretary's table or may be viewed and printed at www.USEF.org

Table II, Sec. 2 (a)—The first round and first jump-off, if any, are decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed. In the event of equality of faults after the first round, there will be one jump-off for first place only in which time will decide in the event of equality of faults.

TOUCH CLASS: Table I, touches to count. Scored on jumping faults alone. In the likely event of equality of faults for first place, successive jump offs will be held.

TABLE II—Classes scored on Faults and Time. Clear Round (Table II) - The first round is decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed. Horses with clean rounds or equal faults remain equal.

FAULT and OUT: (Table II, Sec. 4) Fault and Out. These competitions are timed and take place over medium sized single obstacles (combinations are not permitted). The competitor's round finishes with the first fault incurred under Table II. Points are awarded instead of faults, two points for each obstacle jumped cleanly and one point for the obstacle knocked down. The winner is the competitor who scores the greatest number of points. Time will decide in the event of equality of points.

a. An obstacle is not considered to have been jumped until the horse's forefeet have touched the ground on landing b. When an obstacle is knocked down or the Time Allowed, if there is one, has been reached, a signal is sounded. The competitor must then jump the next obstacle c. When a fault constitutes a disobedience or fall (2) With a Fixed Time Allowed which must not be set at less than 50 seconds, nor more than 60 seconds. If the competitor has jumped all the obstacles before the expiration of the Time Allowed, he starts around the course again but is not required to go back through the start markers. **\$100 prize money split \$40, \$25, \$20, \$15.**
