However, **classes must be ridden in the correct order** as they appear in the schedule and only three classes may be running concurrently except for the Red/Blue warm up classes that, while judged, are not ranked and scored for placing. Please see the schedule for classes affected and ask the gatekeeper at the show to help you if you are unfamiliar with this concept.
- ❖ **Red/Blue warm up classes:** the judge may award, at his/her discretion, a red or blue ribbon for any warm up round. Any ribbons awarded with be announced immediately after the round is completed. In the interest of time, **multiple rounds may be allowed only if time permits.** Please make sure that these rounds are entered, and paid for, at the secretary's desk.

Keith Mooney: Horse Show Photographer

**TABLE II--Classes scored on Faults and Time.** Clear Round (Table II) - The first round is decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed. Horses with clean rounds or equal faults remain equal.

**FAULT and OUT:** (Table II, Sec. 4) Fault and Out. These competitions are timed and take place over medium sized single obstacles (combinations are not permitted). The competitor's round finishes with the first fault incurred under Table II. Points are awarded instead of faults, two points for each obstacle jumped cleanly and one point for the obstacle knocked down. The winner is the competitor who scores the greatest number of points. Time will decide in the event of equality of points.

a. An obstacle is not considered to have been jumped until the horse's forefeet have touched the ground on landing .... b. When an obstacle is knocked down or the Time Allowed, if there is one, has been reached, a signal is sounded. The competitor must then jump the next obstacle. ... c. When a fault constitutes a disobedience or fall ... (2) With a Fixed Time Allowed which must not be set at less than 50 seconds, nor more than 60 seconds. If the competitor has jumped all the obstacles before the expiration of the Time Allowed, he starts around the course again but is not required to go back through the start markers.

# CLASS SPECIFICATIONS

## FEATURED CLASSES

The **Fiesta Farm EQUITATION EXTRAVAGANZA**. Open to any non-professional rider on a horse or pony. Class to consist of two phases. Phase 1: to be ridden over a hunter-type equitation course with standard distances and hunter-type fences. Phase 2: to be ridden over a jumper-type equitation course with an appropriate course and fences that may include: a parallel oxer; triple bar; hog's-back; in and out; narrow fence and/or fences without ground rails. Upon completion of the second phase, the judge will ask the top riders to return for a flat phase and further testing appropriate to the riders chosen. Riders may show at 2', 2'6" or 3', however, they may not show at a lower height than the highest height at which they showed in any other class (on the horse they will compete on), at this horse show. Ribbons to eight place: the winner to receive a special trophy. Entry fee: \$20.

The **Fiesta Farm EQUITATION ELIMINATION**. Open to all riders on a horse or pony. Class to be composed of an initial flat phase followed by a series of tests, at the judge's discretion, based on USEF tests 1-19 with no jumping elements. Rider tests may include halt, back, ride without stirrups, hand gallop, any simple figure, horsemanship questions or change of horses, increasing in difficulty as the class progresses. To be judged on classic position and horsemanship. Riders will be excused throughout the class until only two remain. Ribbons to eighth place: the winner to receive a special trophy. Entry fee: \$20.

The **ALL-AROUND HORSE-PERSON test**. This will be a comprehensive test of general horse knowledge for any individual 21 years and younger. The test will be offered during most of the horse show. Participants must complete a written test, appropriate to their age and riding level (children who do not read well may have the proctor read the test to them), but do not have to otherwise participate in the horse show. Participants may complete the test at their convenience but by no later than 1:30 p.m. on Sunday afternoon. Please allow at least 30 minutes to complete the written test which will be composed of multiple choice, fill in the blank and matching list questions and will be taken under the eye of a proctor. A score will be given for each written test. Awards shall go to three individuals and will be announced by 4:00 p.m. on Sunday. Each winner shall receive a certificate as well as a variety of prizes which may include books, video tapes and i-Tunes gift card. Three winners will be awarded for riders 10 years and younger, eleven through thirteen years, and fourteen through twenty one years. Participants need not be present at the awards ceremony. Riders may receive their test from the secretary after paying the \$10 testing fee. This test is designed to encourage riders to learn more about their sport while testing their current knowledge.
