The class will be held on the outside hunt course over natural obstacles as may be found in the hunt field. The first, Classic Round, is open to all horses and ponies. The second Handy Round, will be contested by the top 15 horses and ponies under the same scoring system. Each round's score with the combined to determining the winner. Each round will have a 'base' score with 1 additional point added for each high option jump allowing up to four additional points in each round.

HUNTER CLASSIC Beginner Rider, 18", 2', 2'6" and 3'. Open to all riders and horses or ponies. The class/classes will be conducted over *two rounds* scored on the open numerical judging system. **The first rounds will be a part of most hunter divisions.** In order to meet the ETHJA requirement for double points, the class will be conducted as four separate classes with Classics at: *18" (one each for Beginner Riders and Mini Hunters), 2', 2'6" and 3'.* In each Classic section, following the first round in their chosen division, riders will ride their second round in reverse order with the highest score riding last. **Riders must indicate on their Fiesta Farm entry for which of the following hunter divisions their double points will be applied (for year-end ETHJA purposes):** Mini, Green, Schooling, Special, Short Stirrup, Long Stirrup, Pony, Low, Adult Amateur, Children's or Regular Working Hunter. An asterisk marks the individual class in each division from which the initial score may come. Riders must show in, and complete the class in, one of the over fences round in their chosen division (as per USEF rules) but may ride in any other divisions as well for which they are otherwise eligible. The combined numerical score from both rounds of each of the five 18" sections, (Beginner Rider and Mini Hunter) 2', 2'6" and 3' will be tabulated. Individual classes at each of the four heights will be placed through sixth and each winner will receive an engraved trophy.
