EARTH DAY

Fiesta Farm is pleased to offer a special
EARTH DAY tee shirt in "Standard" sizes.

to benefit the

University of Tennessee's Wild Animal Treatment Fund.

The UT vet school treats 1200 wild animals each year. Squirrels, rabbits, snakes, turtles, birds, opossums, young raccoons, etc, are all treated free of charge by good samaritans trying to help injured wildlife in EAST TENNESSEE. Please purchase a tee shirt, enter the EARTH DAY HUNTER division, or make a tax deductible donation to the fund. You will help hundreds of injured animals in our area who have nowhere else to receive treatment. Please help to fund this important work.

RULES AND REGULATIONS

- **ENTRY FEES** for all classes held in the **MAIN RING**, except those specified below, will be \$15 per class. Classes held in the **PRACTICE RING** will be \$10. **HUNTER DERBY** \$25. The **Lead Line** has no entry fee. All entry fees from the **EARTH DAY HUNTER** division will go to the University of Tennessee **WILD ANIMAL TREATMENT FUND**. Additionally, a \$20 per horse Office Fee will be added. Fiesta Farm horse shows offer HORSESHOWSONLINE in order to make entering and tracking entries convenient for all.
- **NEGATIVE COGGINS TESTS** taken within twelve months must be available upon entering. Pony Cards for the Pony Division must also be available upon request.
- **USEF rules** will be followed except as modified by local conditions and/or specific ETHJA rules. See ETHJA rules @ www.ethja.org/rules or USEF rules @ www.usef.org.
- **SUITABLE ATTIRE** is requested for all classes in the main show ring. Suitable 'practice' clothing will be satisfactory in the lower ring. ASTM-SEI approved helmets with harness are required when mounted.
- **TACK:** martingales are not permitted in any class "not to jump" or in the flat phase of a medal class. Unconventional bits and nosebands will be penalized at the judge's discretion.
- **DOGS** and other pets should not attend the horse show.
- **STABLING** may be available on the grounds and upon request for \$50 for the weekend beginning at 3:00 p.m. on Friday, or \$35 for a stall for either night. Paddocks may also be available. Please call ahead for availability. Priority will be given to horses attending the show from out of town.
- The course will be set and **SCHOOLING** will be allowed before the horse show on Friday afternoon from 3:00 p.m. until 7:30 p.m. The Friday schooling fee is \$10 per horse, if you will not be showing on Saturday or Sunday. Horses boarded at Fiesta Farm and/or showing at the horse show are exempt from the Friday afternoon schooling fee.
- Two entries are required to **FILL each CLASS** (ETHJA specs). If there are insufficient entries in any class, it may be combined with another appropriate class or division. Examples of divisions that may be combined are: Children's Hunter and Adult/Amateur Hunter; Short and Long Stirrup. The Pony Hunter, Beginner Rider Hunter or Equitation will be split if sufficient entries warrant.
- **MULTIPLE CARDS MAY BE OPEN DURING THE SHOW.** In order that the show run smoothly, classes that "go together" for an individual exhibitor may be ridden one after the other rather than waiting until the class's scheduled time table. However, **classes must be ridden in the order** in which they appear in the schedule. In addition, only three classes may be running concurrently, with the exception of the Red/Blue warm-up classes that, while judged, are not ranked and scored for placing. Please see the schedule for classes affected and ask the gatekeeper at the show to help you if you are unfamiliar with this concept.
- **RED BLUE WARM-UPS:** the judge may award, at his/her discretion, a red or blue ribbon for any warm up round that meets the judge's standard for good and exceptional rounds. Ribbons awarded will be announced after the round is completed. **Multiple warm-up rounds may be allowed only if time permits.** Please make sure that these rounds are entered in advance.

JUMPER CLASSES

USEF rules for each class offered will be available at the secretary's table or may be viewed and printed at www.USEF.org

Table II, Sec. 2 (a/b)—The first round and first jump-off, if any, are decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed. In the event of equality of faults after the first round, there will be one jump-off for first place only in which time will decide in the event of equality of faults.

Table II, Sec. 2 (c)—Two Phase Competitions - The first phase to consist of 8 to 10 jumping efforts and the second phase (immediate jump-off) of 5 to 7 jumping efforts. Scores are decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed if any. If a competitor has gone clean in the first round, he will, upon crossing the finish line, commence the designated jump-off course. Time starts as the horse crosses the finish line for the initial course. If there are no clean rounds and a tie exists for first place, there will be one jump-off, in which time will decide in the event of equality of faults. The use of a Time Allowed is optional in the first round. The Time Allowed in the first round may be taken by electronic or manual means.

TABLE II—Classes scored on Faults and Time. Clear Round (Table II) - The first round is decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed. Horses with clean rounds or equal faults remain equal.

FAULT and OUT: (Table II, Sec. 4)—Fault and Out. These competitions are timed and take place over medium sized single obstacles (combinations are not permitted). The competitor's round finishes with the first fault incurred under Table II. Points are awarded instead of faults, two points for each obstacle jumped cleanly and one point for the obstacle knocked down. The winner is the competitor who scores the greatest number of points. Time will decide in the event of equality of points. a. An obstacle is not considered to have been jumped until the horse's forefeet have touched the ground on landing b. When an obstacle is knocked down or the Time Allowed, if there is one, has been reached, a signal is sounded. The competitor must then jump the next obstacle c. When a fault constitutes a disobedience or fall (2) With a Fixed Time Allowed which must not be set at less than 50 seconds, nor more than 60 seconds. If the competitor has jumped all the obstacles before the expiration of the Time Allowed, he starts around the course again but is not required to go back through the start markers.

ELIGIBILITY: all classes offered shall be open to all riders on horses or ponies. See further ETHJA rules for eligibility. Entry fee \$15.
